- Advanced standing is allocated against the requirements of your admitted course at the time the advanced standing application is lodged. If you change course or major, it may influence the advanced standing that is applicable and/or the remaining requirements for the completion of your course.
- It is your responsibility to ensure that you are not enrolled in any subject/s as at the census date for which advanced standing is pending. You will incur fees for subjects that you are enrolled in on the census date, even if you later receive advanced standing.
