ANTECEDENT'S REMARKS

IMM16

PART B - DECLARATION BY APPLICANT

I hereby declare that all the particulars furnished by me in this application are true and correct.

I undertake not to study without a Student's Pass.

I undertake not to misuse controlled drugs or to take part in any political or other activities during my stay in Singapore which would make me an undesirable or prohibited immigrant under the Immigration Act.

I undertake to comply with the provisions of the Immigration Act and any regulations made thereunder or any statutory modification or re-enactment thereof for the time being in force in Singapore.

I undertake not to be involved in any criminal offences in Singapore.

I undertake not to indulge in any activities which are inconsistent with the purpose for which the immigration passes have been issued.

I further undertake not to be engaged in any form of employment or in any business, profession or occupation in Singapore whether paid or unpaid, without a valid work pass issued under the Employment of Foreign Manpower Act (Cap. 91A). I understand that industrial attachment and/or on-the-job training (whether provided by my school or otherwise) is also considered as employment under the Employment of Foreign Manpower Act and requires a valid work pass.

I am aware that overstaying or working illegally in Singapore is a serious offence and on conviction, the penalties may include mandatory imprisonment and caning.

I understand that if the Controller of Immigration is satisfied that I or any member of my family breaches this undertaking or becomes an undesirable or prohibited immigrant, he will cancel my immigration pass and the passes of the members of my family, and we may be required to leave Singapore within 24 hours of such cancellation.

I give my consent for your department to obtain and verify information from or with any source, as you deem appropriate for the assessment of my application for immigration facilities.

Remarks/Explanation (if any):

*I have read and agreed to the declaration.
