

# Research Participation Program

The screenshot displays the user interface for the Research Participation Program. At the top left is the James Cook University Australia logo. The main header area features a banner for the 'School of Arts And Social Sciences JCU Psychology Research Participation'. Below this is a navigation bar with links for 'Studies', 'My Schedule/Credits', 'My Profile', and 'Logout'. The user's name, 'Peter Chew (Participant)', is visible in the top right corner. The main content area is divided into several sections: 'Study Sign-Up' with a 'VIEW AVAILABLE STUDIES' button; 'My Schedule & Credits' with options to view appointments, participation history, and earned credits; 'My Profile' with a 'Change password' option; 'Credits Overview' showing a circular progress indicator with the number '0' and a legend for 'Earned', 'Pending', and 'Required' credits; and 'Upcoming Appointments' which currently shows 'No Upcoming Appointments'.

# Participation Program

---

- JCU's research participation program provides Year 1 and 2 psychology students the opportunity to participate in research.

# Credits

---

- Students are awarded credits for participation. These credits contribute to a certain percentage of a module's grade.

Module	Credits Eligible
PY1101	20 credits (5% of module grade)
PY1102	20 credits (5% of module grade)
PY2103	12 credits (3% of module grade)
PY2107	12 credits (3% of module grade)

---

# Credits

---

- Credits cannot be shared among modules. For example, a student would be eligible for 40 credits if the student is enrolled in both PY1101 and PY1102.
-

# Type of Studies

---

- JCU makes a distinction between online studies and on-site studies (i.e., studies conducted in a laboratory or classroom), and credits are awarded accordingly.

Type of Study	Credits Calculation
Online study	1 credit / 15 minutes of participation
On-site study	2 credits / 15 minutes of participation

---

# Deadline for Participation

---

- The research participation deadline is the last weekday before the first examination.
  - For example, if the date of the first examination is on 13 Jan 2014 (Monday), the deadline would be on 10 Jan 2014 (Friday).
  - Credits will not be awarded if participation took place after the deadline.
-

# SONA System

---

- JCU uses the SONA system to manage research participation.
  - The system can be found here:  
<http://psychologyjcu.sona-systems.com>
-

# SONA Account

- Students are required to request a new account if they are a new user.

# Study Sign-Up

Study Name	(SNG) Can cream cheese make vegetables taste better?
Study Type	 <b>Standard (lab) study</b> This is a standard lab study. To participate, sign up, and go to the specified location at the chosen time.
Credits	4 Credits
Duration	30 minutes
Abstract	Participation will involve the consumption of cream cheese in the reduction of perception of bitterness in a taste test of phenylthiocarbamide (PTC). Participants are also invited to complete two short questionnaires thereafter.
Description	You are invited to take part in a research project about the effects of cream cheese consumption in the reduction of the bitter taste experienced in a phenylthiocarbamide (PTC) taste test. Similar compounds to PTC are found in vegetables like cabbage and broccoli and implications of the effectiveness of cream cheese as a buffer for the unpleasant bitterness in select vegetable types might promote a healthier diet.
Preparation	Do not hesitate to contact the researcher if there are no desired timeslots available but you are still interested in participating.
Eligibility Requirements	Aged 18 and above
Researcher	Kenneth Loong  
Deadlines	Sign-Up: 18 hour(s) before the appointment Cancellation: 17 hour(s) before the appointment

# Google Play

The screenshot shows the Google Play Store interface for the 'Sona Mobile' app. At the top left is the Google Play logo. A search bar is located at the top right. On the left side, there is a navigation menu with options: 'Apps', 'My apps', 'Shop', 'Games', and 'Editors' Choice'. The main content area features the app's icon, a circular logo with blue and green swirls. To the right of the icon, the app name 'Sona Mobile' is displayed, along with the developer 'Sona Systems - December 20, 2013' and the category 'Productivity'. Below this, there are two buttons: a green 'Install' button and a white 'Add to Wishlist' button. A compatibility message states 'This app is compatible with your device.' At the bottom of the app card, there is a star rating of 4.5 out of 5, based on 8 reviews, and a 'g+1 +7 Recommend this on Google' button.

Two screenshots of the Sona Mobile app interface are shown side-by-side. The left screenshot displays the main menu with the following options: 'Studies', 'Schedule/Credits', 'Profile', and 'Logout'. Below the menu, there is contact information: 'Email questions to info@sona-systems.com' and 'Copyright © 1997-2012 Sona Systems, Ltd. [Privacy Policy](#)'. The right screenshot shows the 'Credit Information' section, which includes 'Overall Credits Earned: 0' and 'Overall Credits Requirements: 4'. Below this is the 'Study Signups' section, listing three studies: 'D Study' (14 June 2012 9:00 - 9:30), 'B Study' (27 August 2012 9:30 - 10:00), and 'A Study' (3 October 2012 10:00 - 10:30). At the bottom, there is a 'Non-study credit' section indicating '1 Credits deducted on 24 September 2012. Prev...'. A navigation bar at the bottom of the right screenshot contains the same menu options as the left screenshot.
