Bachelor of Arts (Majoring in Psychology Studies)

The Singapore campus of James Cook University

Established in 2003

The Singapore campus of James Cook University is fully owned by James Cook University Australia, which is ranked in the top 2%* of universities in the world. James Cook University Australia established its Singapore campus in 2003 as part of its expressed intent of internationalising its activities and offers a suite of university level programs at the Singapore campus covering the areas of Business, Information Technology, Psychology, Education, Accounting, Arts, Aquaculture, Environmental Science, Games Design, Tourism and Hospitality.

James Cook University offers Higher Degree by Research programs such as Doctor of Philosophy, Master of Philosophy and pathways to a higher degree.

Additionally, the campus offers courses at the pre-university level, specifically designed to provide pathways for students who are unable to immediately meet university entrance standards.

The Singapore campus of James Cook University is located at Sims Drive. The campus provides students with access to a full range of facilities and services to support their learning. These include lecture and seminar rooms, library and associated study facilities, computer laboratories, financial lab and access to a variety of sporting facilities.

James Cook University Inter-campus Mobility Program

James Cook University provides the opportunity for students to study in Singapore and in Australia and yet still remain as Singapore based students paying their fees in Singapore currency. This is a unique program in Asia because the university operates across both countries. The program is designed to ensure the students get the best possible outcomes from their years of study with the university.

EduTrust Star

James Cook University has the highest level of quality assurance in Singapore for Private Education Institutions. This is known as EduTrust Star and is a symbol of recognition for outstanding achievement. EduTrust Star is awarded to those institutions for attaining a commendable level of performance in managing their institutions and providing an outstanding quality of education and welfare for their students.

James Cook University is the first organisation with EduTrust Star. By obtaining this award for the second time in 2019, James Cook University has displayed its commitment and focus as a student centric educational institution.

SQC STAR

James Cook University has also been awarded the Singapore Quality Class STAR (SQC STAR). The SQC STAR recognises SQC organisations that have made further improvement in their business excellence journey.

Validity : 10/04/2019 - 09/04/2023

The Bachelor of Arts (BA) brings together subjects from the humanities and social sciences

to create graduates who have a broad knowledge of society and culture and key skills in communication, research and critical analysis.

Note: International students in Singapore on a Student Pass are not permitted to work. For more information please visit www.ica.gov.sg

James Cook University is EduTrust Certified. The EduTrust certification scheme is administered by the Committee for Private Education (CPE), a part of SkillsFuture Singapore (SSG). EduTrust requires all students to be covered under a Fee Protection Scheme. In James Cook University, this is provided through an insurance protection scheme. Further, EduTrust also requires that the students must be covered under a medical insurance coverage which has provision for hospitalisation, surgery and treatment costs throughout their course duration. James Cook University will advise in the Standard Student Contract the total amount of insurance payable.

Bachelor of Arts (Majoring in Psychology Studies)

The Bachelor of Arts is an undergraduate course consisting of 24 subjects. The course combines study from a range of disciplines. You are encouraged to develop critical thinking, problem solving, communication, and research skills for successful study. You can craft a varied course of study that maximizes your ability to meet the changing demands of employers.

This major is designed to give students a deeper understanding of the biological, social and cultural factors which influence how humans think, feel and behave. This major is offered to students who want an understanding of psychology to combine with another area of study. Students wishing to register as psychologists should instead take our Australian Psychology Accreditation Council (APAC) accredited Bachelor of Psychological Science course.
