The Singapore campus of James Cook University

Established in 2003

The Singapore campus of James Cook University is fully owned by James Cook University Australia, which is ranked in the top 2% of universities in the world¹. James Cook University Australia established its Singapore campus in 2003 as part of its expressed intent of internationalising its activities and offers a suite of university level programs at the Singapore campus covering the areas of Business, Information Technology, Psychology, Guidance and Counselling, Science, Commerce, Accounting, Aquaculture, Environmental Science, Games Design, Tourism and Hospitality.

James Cook University offers Higher Degree by Research programs such as Doctor of Philosophy, Master of Philosophy and pathways to a higher degree.

Additionally, the campus offers courses at the pre-university level, specifically designed to provide pathways for students who are unable to immediately meet university entrance standards.

The Singapore campus of James Cook University is located at Sims Drive. The campus provides students with access to a full range of facilities and services to support their learning. These include lecture and seminar rooms, library and associated study facilities, computer laboratories, aquaculture research and teaching facility, financial lab and access to a variety of sporting facilities.

James Cook University Inter-campus Exchange Program*

James Cook University provides the opportunity for students to study in Singapore and in Australia and yet still remain as Singapore based students paying their fees in Singapore currency. This is a unique program designed to ensure that the students get the best possible outcomes from their years of study with the university, which operates across two countries.

EduTrust Star

James Cook University has the highest level of quality assurance in Singapore for Private Education Institutions. This is known as EduTrust Star and is a symbol of recognition for outstanding achievement. EduTrust Star is awarded to those institutions for attaining a commendable level of performance in managing their institutions and providing an outstanding quality of education and welfare for their students.

James Cook University is the first organisation with EduTrust Star. By obtaining this award for the third time in 2023, James Cook University has displayed its commitment and focus as a student centric educational institution.

SQC STAR

James Cook University has also been awarded the Singapore Quality Class STAR (SQC STAR). The SQC STAR recognises SQC organisations that have made further improvement in their business excellence journey.

Tropical Futures Institute

Given that research is a core component of the university, James Cook University established the Tropical Futures Institute to leverage off the university's research capability and strength and that creates substantive value-add to the research ecosystems of Singapore and the ASEAN region. The Tropical Futures Institute is the first research institute established by an Australian university in Singapore.

James Cook Institute

James Cook Institute is a wholly-owned subsidiary of James Cook University in Singapore that offers short courses and training programs in Industry 4.0 and areas that fit the needs of the workforce and community. This includes a wide range of short courses and training programs in information technology, digital marketing, communication, and more.

James Cook Institute is committed to further diversifying and enhancing its short course offerings, as well as delivering customised training programs for corporate clients to provide more people with the opportunity to upgrade their skills and stay relevant and employable in today's ever-changing world..

Why choose James Cook University?

Globally recognised Australian degree

You will graduate with exactly the same globally recognised degree as students who study at James Cook University in Australia.

Trimester System

With a trimester-based program, students can complete their Bachelors degree in 2 years and Masters degree in 1 year (depending on the course taken).

Supportive study environment

Our campus is designed to support collaborative learning and collaborative study techniques. We provide you with access to a full range of facilities and services to support your learning. These include lecture and seminar rooms, library and associated study facilities, computer laboratories, apple rooms and financial lab. Additionally, you will have access to a range of sporting facilities and can join a number of clubs and societies. We aim to provide a full university experience and not just a study program.

Preparation for the global workforce

We provide you with the skills to find a job through specially designed 'employment workshops'.

Michelle Yuline

Pre-University Foundation Program | Indonesia

My experience at the Singapore campus of James Cook University (JCU) has been nothing but amazing. I met students with diverse cultural backgrounds and we all became close friends. Lecturers are friendly and willing to help when we face issues with our studies. With the wide variety of social clubs and facilities, coupled with the wonderful multi-racial environment, JCU is the choice for me.

Variety of courses

Business Accreditation: James Cook University in Singapore has earned the business accreditation from AACSB - a sign of excellence in business education.

Science Programs: Variety of majors including data science and aquaculture science and technology.

Bachelor of Cybersecurity: Apply critical thinking to address IT and Cybersecurity related issues.

Joint Masters program: Get broader industry exposure and wider career options.

Psychology Accreditation: Bachelor of Psychological Science courses are accredited by the Australian Psychology Accreditation Council (APAC).

Diploma Programs: A suitable pathway for students with Year 12, GCE 'A' Level or its equivalent but who do not meet direct entry to a degree program.

Research Focus

JCU is committed to conducting research of excellence and high impact, particularly on issues of critical importance.

Cody Lim

Bachelor of Psychological Science | Singapore

The best thing about being a student at the Singapore campus of James Cook University (JCU) is the myriad services and enriching opportunities available. The staff are committed to providing excellent support and assistance, going the extra mile to ensure that every student feels welcomed and settled.

Note: International students in Singapore on a Student Pass are not permitted to work. For more information please visit www.ica.gov.sg

James Cook University is EduTrust Certified. The EduTrust certification scheme is administered by the Committee for Private Education (CPE), a part of SkillsFuture Singapore (SSG). EduTrust requires all students to be covered under a Fee Protection Scheme. In James Cook University, this is provided through Fee Protection Scheme Group Insurance. All students from James Cook University are covered hospitalization, surgery and treatment costs in accordance to insurance policy term and conditions under the Group Hospitalisation and Surgical insurance scheme. James Cook University will advise in the Standard Student Contract the total amount of insurance payable.

For more details please visit the Committee for Private Education (CPE), a part of SkillsFuture Singapore (SSG) website: www.ssg.gov.sg/cpe/pei.html

Celina Kaesar Lumain

Bachelor of Information Technology | Philippines

Studying in JCU is a good fit for me because it gives me the opportunity to take challenging classes that push me to my limits. It gives me the confidence in my problem solving abilities. The lecturers also encourage curiosity amongst students and encourage them to think quickly and creatively. Studying in BIT helps develop my breadth of knowledge across the subject areas such as programming, data mining, web design and development and many more. The program prepares students for careers in tech industries such as being front-end or back-end developers, Software Engineers, Data Scientists, Project Managers and for graduate studies.

Mahim Kamath

Master of International Tourism and Hospitality Management -
Master of Business Administration | India

I have successfully completed my joint masters program here at JCU. Studying at JCU helped me unearth numerous hidden talents. I gained a much greater perspective of the world. I made some wonderful friends from all over the world. And most significantly, I learned the importance of leadership and responsibility through the numerous leadership positions I held in the various clubs and societies at the campus.

Farzanah

Bachelor of Business and Environmental Science
(Majoring in Aquaculture) | Singapore

This aquaculture major at the Singapore campus of James Cook University is an integrated program that allows me to learn not just the science aspect of aquaculture but also business disciplines. My interest in aquaculture grew after graduating from diploma in Marine Science and Aquaculture from a local polytechnic. An internship at an aquaculture farm made me understand the hard work involved and how important it was to farm sustainably. I hope to be able to do my part in shaping the growing aquaculture industry in Singapore with a more sustainable outlook in the future.
