

Welcome to the Singapore campus of James Cook University

JAMES COOK
UNIVERSITY

Townsville | Singapore | Cairns | Brisbane

1 university • 2 countries • 4 distinct locations

Creating a brighter future for life in the Tropics and beyond, through education and research that makes a difference locally, and globally.

The Singapore campus of James Cook University

Established in 2003

The Singapore campus of James Cook University is fully owned by James Cook University Australia, which is ranked in the top 2% of universities in the world¹. James Cook University Australia established its Singapore campus in 2003 as part of its expressed intent of internationalising its activities and offers a suite of university level programs at the Singapore campus covering the areas of Business, Information Technology, Psychology, Guidance and Counselling, Science, Commerce, Accounting, Aquaculture, Environmental Science, Cybersecurity, Economics, Tourism and Hospitality.

James Cook University offers Higher Degree by Research programs such as Doctor of Philosophy, Master of Philosophy and pathways to a higher degree.

Additionally, the campus offers courses at the pre-university level, specifically designed to provide pathways for students who are unable to immediately meet university entrance standards.

The Singapore campus of James Cook University is located at Sims Drive. The campus provides students with access to a full range of facilities and services to support their learning. These include lecture and seminar rooms, library and associated study facilities, computer laboratories, aquaculture research and teaching facility, financial lab and access to a variety of sporting facilities.

James Cook University Inter-campus Exchange Program*

James Cook University provides the opportunity for students to study in Singapore and in Australia. This is a unique program designed to ensure that students get the best possible outcomes from their years of study with the university, which operates across two countries. Students will get to experience international study environments within one study journey, with exposure to diverse cultures, communities, and ways of life.

EduTrust Star

James Cook University has the highest level of quality assurance in Singapore for Private Education Institutions. This is known as EduTrust Star and is

a symbol of recognition for outstanding achievement. EduTrust Star is awarded to those institutions for attaining a commendable level of performance in managing their institutions and providing an outstanding quality of education and welfare for their students.

James Cook University is the first organisation with EduTrust Star. By obtaining this award for the third time in 2023, James Cook University has displayed its commitment and focus as a student centric educational institution.

Tropical Futures Institute

Given that research is a core component of the university, James Cook University established the Tropical Futures Institute to leverage off the university's research capability and strength and that creates substantive value-add to the research ecosystems of Singapore and the ASEAN region. The Tropical Futures Institute is the first research institute established by an Australian university in Singapore.

James Cook Institute

James Cook Institute is a wholly-owned subsidiary of James Cook University in Singapore that offers short courses and training programs in Industry 4.0 and areas that fit the needs of the workforce and community. This includes a wide range of short courses and training programs in information technology, digital marketing, communication, and more.

James Cook Institute is committed to further diversifying and enhancing its short course offerings, as well as delivering customised training programs for corporate clients to provide more people with the opportunity to upgrade their skills and stay relevant and employable in today's ever-changing world.

Why study at the Singapore Campus?

Supportive study environment

Our campus is designed to support collaborative learning and collaborative study techniques. We provide you with access to a full range of facilities and services to support your learning. These include lecture and seminar rooms, library and associated study facilities, computer laboratories, apple rooms and financial lab. Additionally, you will have access to a range of sporting facilities and can join a number of clubs and societies. We aim to provide a full university experience and not just a study program.

Inter-campus Exchange Program*

This unique program offers students the opportunity to study in both Singapore and Australia. Experience two international study environments within one study journey, with exposure to diverse cultures, communities, and ways of life.

Preparation for the global workforce

We provide you with the skills to find a job through specially designed 'employment workshops'.

Merit Scholarships (International)

We offer Merit Scholarships* exclusively to international students who wish to study at James Cook University in Singapore and demonstrate outstanding academic achievement, strong critical thinking, and creativity.

Science:

Bachelor of Science (Majoring in Data Science)
Bachelor of Science (Majoring in Aquaculture Science and Technology)

"James Cook University (JCU) is renowned for its expertise in marine research. I choose JCU because I have always been fascinated by the ocean, often watching nature documentaries such as those on National Geographic and Animal Planet while growing up.

With global fish consumption on the rise, I wanted to help prevent overfishing and promote sustainable seafood production. JCU's strong marine research focus made it the perfect choice. "

- Naomi Hartato
Bachelor of Science (Majoring in Aquaculture Science and Technology), 2025

"James Cook University offers the best of both worlds – a globally recognised Australian education and the chance to study in Singapore, one of Asia's leading education and business hubs."

- Melvern Iskandar

Trimester System

With a trimester-based program, students can complete their Bachelors degree in **2 years** and Masters degree in **1 year** (depending on the course taken).

Note: International students in Singapore on a Student Pass are not permitted to work. For more information please visit www.ica.gov.sg

James Cook University is EduTrust-certified. The EduTrust Certification Scheme (EduTrust) is a quality assurance scheme administered and governed by Skills and Workforce Development Agency (SWDA) for Private Education Institutions (PEIs) in Singapore. The EduTrust Certification Scheme requires all students to be covered under the Fee Protection Scheme (FPS). In James Cook University, this is provided through Fee Protection Scheme Group Insurance. All students from James Cook University are covered hospitalization, surgery and treatment costs in accordance to insurance policy term and conditions under the Group Hospitalisation and Surgical insurance scheme. James Cook University will advise in the Standard Student Contract the total amount of insurance payable.

For more details please visit Skills and Workforce Development Agency (SWDA) website: <https://www.swda.gov.sg/>
